Hi Ed,

I am updating the Navigate Hollywood site and I just wanted to check with you on a couple of closures. "Alice Through the Looking Glass" was approved but with the suggestion that the closure begins at either 8pm or midnight on 5/21/16. Can you let me know what time the closure will begin so I can include that in the alert?

Also, the committee had made the same as for "Finding Dory." I am not sure that was approved yet since it is so far away, but just curious if there was an update on that one.

Thanks!
